

1.44 Sum of all elements 0 из 1 шага пройдено 0 из 1 балла получено

Find the sum of all elements of the sequence, ending with the number 0.

The number 0 itself is not included into the sequence and serves as a sign of cessation.

**Sample Input:**

```
3
6
8
0
```

**Sample Output:**

```
17
```
